
Strip Club Network Overview

Cybertech creates and services web sites and e-businesses for hundreds of the high profile clubs across the country. Over the past few years we have amassed a wealth of online resources serving millions of satisfied visitors each day. Our leading industry portals represent an invaluable resource for club owners, managers, dancers, vendors, and patrons providing a rich searchable database of over 7,500 strip clubs world wide... Users can post reviews, rate the clubs, read their profiles, download maps, apply for jobs, book parties, post events, access email, and much more...

In addition, Cybertech owns and operates proprietary adult search engines and directories, and distributes millions of targeted emails per week via our StripClubMail.com newsletter system. Our new and widely successful Strip Club Network television series has had a great deal of success as well, bringing exciting feature performances to the homes of millions of satisfied viewers every week.

The internet has become a vital resource for successful gentlemen's clubs to communicate with their customer base. This same resource can be an effective way for advertisers to reach this quality market segment.

Our extensive online network, TV series, and other initiatives reach a predominantly upper income male and female market that regularly frequents gentlemen's clubs. Our visitors tend to have a high disposable income and are willing to purchase a variety of products at a premium price. Our audience profile is as follows:

- 90% between the ages of 21-45 frequent strip clubs on a regular basis
- average yearly household income of \$75,000+
- 95% are interested in some kind of exercise product and weight loss program
- 70% of the entire female exotic dancer market utilize our network on a regular basis
- 65% of the club dancers have expressed interest in some kind of cosmetic procedure
- 93% consume alcohol related products
- 57% are homeowners
- 91% own cars
- 61% smoke on occasion
- 76% go out more than 3 times a week
- 55% are currently not married

Recent polls show that our audience regularly spends money on alcohol, adult entertainment, tobacco products, clothing, grooming products, restaurants, gifts for girlfriend/wife, exercise equipment, health care products, health club memberships, sports events, travel, autos and automotive products.

Cybertech offers a variety of options to accommodate the objectives of our advertisers. In addition to basic banners we offer sponsorship opportunities, contest promotions, streaming video infomercials, pop-up menus, cable broadcast advertising, pre-paid and promotional internet card advertising, in club promotions and e-mail newsletter advertising.
